

DESSERTCO

All our cookies are carefully made with the same traditional ingredients you might have found in your grandma's kitchen when you were little. That's why our flavours may bring you right back to that time when you were little and grandma took her cookies out of the oven and served them to you – still warm, with a glass of fresh milk mmm...

Our cookies are in the form of frozen (1 ounce) pre-formed pucks, 49 per flat.

Enjoy delicious homemade cookies fresh-from-the-oven without the mess and hassle of mixing from scratch. Just break and bake!

Just pop into a pre-heated oven and in about 15 minutes you have fresh baked cookies.
